Axiom Bank® Employees Donate Hygiene Kits and Other Items to Rescue Outreach Mission

MAITLAND, FL (August 11, 2015) – Employees at Axiom Bank®, a community bank headquartered in Central Florida, donated 112 hygiene kits, \$160 in gift cards, and food and clothing items to the Rescue Outreach Mission of Central Florida.

“We are always excited when local companies work with us to help the homeless,” said Andrew Powell, Executive Director of the Rescue Outreach Mission. “These partnerships provide us with important resources to continue helping our clients and residents.” The Rescue Outreach Mission provides assistance to disadvantaged people in Central Florida, working to prevent homelessness and help people who are homeless become self-sufficient.

Axiom Bank’s employee donations were organized by Trounja Baltimore, an Axiom employee who wanted to help address the needs of the local homeless and disadvantaged population. Baltimore obtained hygiene supplies from Clean the World®, an international organization that collects and recycles hygiene products from hospitality companies and manufacturers. Axiom employees volunteered their time to assemble the hygiene kits, and donated gift cards and other materials. The gift cards will be used for back-to-school supplies for children served by the Rescue Outreach Mission.

Administrative Services Manager. “We work with our clients to both address their immediate needs and also help them develop the skills they need for a productive life.”
